### About Me

I'm Waheed, a dedicated WordPress developer with a year of hands-on experience building dynamic, visually appealing websites. I specialize in custom themes, performance optimization, and responsive design. With strong skills in HTML and CSS, I bring creativity, attention to detail, and a passion for delivering high-quality, impactful websites.

### WORK EXPERIENCE

#### Owscom - WordPress Developer Intern

November 2021 - March 2022

I've spent an enlightening 5 months as a trainee WordPress Developer at Charmmudra Digital Marketing Agency. I've honed my skills in theme customization, optimizing performance, and creating captivating and user-friendly websites.

#### Owscom - WordPress Developer

April 2022 - August 2023

I've been on an exciting journey as a WordPress Developer at Owscom Agency since April 2022. Over the past 1.5 years, I've specialized in building custom themes, optimizing website performance, and collaborating closely with the SEO team to improve our site's Google search rankings.

#### Xlogic Solutions- WordPress Developer

Since September 2023

In September 2023, I continued my journey at Xlogic Solutions, where I honed my expertise in HTML and CSS, completed various custom development tasks, and built numerous websites using Elementor. This role allowed me to sharpen my problem-solving skills and deliver pixel-perfect, user-friendly websites.
